**Equipment Loan and Repairs:**                      **Donation Amount: \$** \_\_\_\_\_

Our services include a *Medical Equipment Loan Closet* where all equipment borrowed from the ALS Center is free of charge for any length of need. This may include manual and power wheelchairs, bathroom equipment and feeding and dressing equipment. Typically, the majority of this equipment is not covered by insurance, or may require a large deductible; sometimes expensive repairs are required.

Pricing ranges between \$200 - \$20,000

**Communication Equipment:**                      **Donation Amount: \$** \_\_\_\_\_

Our loan closet also includes a variety of Assistive Technology Devices for enabling communication independence such as EyeGaze Systems, iPads, and switch technology. Typically, the majority of this equipment is not covered by insurance or may require a large deductible or may require expensive repair.

Pricing ranges between \$100 - \$15,000

**Home Consultation and Support:**                      **Donation Amount: \$** \_\_\_\_\_

When those with ALS can no longer mobilize to our center, we provide consultation, education and support in the home. Guidance is also needed in the area of home modification and safety. We provide education, consultation, massage therapy and support though home visits by various team members, which are not covered by insurance.

Pricing ranges between \$500 - \$5,000

*We appreciate your sponsorship to help support the  
essential needs of our Patients with ALS*
